

THE TAIPANXP DIFFERENCE

1. Australian Owned, Designed, Engineered and Manufactured in Burleigh Heads, Queensland.
2. TaipanXP Vortex Gen 2 Muffler - the muffler works within the air-flow limits set by the manufacturer and controls the exhaust gases expansion rate. This helps control back pressure against the turbine wheel resulting in a significant increase in power and reduced emissions through engine efficiency and **ONLY available at TaipanXP.**
3. TaipanXP 4WD Performance Exhaust Systems are **100% Mandrel bent.**
4. Over 200 4WD Performance Exhaust Systems to fit 11 different vehicle brands. No other competitor comes anywhere close to this choice of range in the marketplace.
5. Manufactured on-site under strict quality control processes.
6. Designed for DIY fit and **100% guaranteed of precise fitment** - first time every time for unmodified vehicles.
7. **Warranty** - market leading **3 Years** on Aluminised Mild Steel Systems & Vortex Gen 2 Muffler and **10 Years** on 304 Grade Stainless Steel Systems & Stainless Steel Vortex Gen 2 Muffler. Includes Manufacturer Insurance.
8. All TaipanXP 4WD Performance Exhaust Systems comply with the Motor Vehicle Standards Act (1989), Australian Design Rules (ADR) & National Code of Practice for Light Vehicles and Modifications Vehicle Standards.
9. **Australia wide Distribution Network.** So wherever you are in this great land of ours, we have a Distributor not far from you.
10. **Industry Support** - TaipanXP are currently members of the Australian Automotive Aftermarket Association, Australian 4WD Industry Council and attend numerous industry shows nationally.

OIL TO AIR SEPARATOR (Catch Can)

*Using an oil to air separator will help reduce the EGR issues such as EGR build up around the intercooler, intake ports and excessive black smoke.

Does your vehicle suffer from the following?

- ☑ Blocked Intercooler or black soot around the Intercooler
- ☑ Turbo hoses splitting or cracking
- ☑ Blocked Intake ports
- ☑ Blocked EGR valve
- ☑ Excessive black smoke
- ☑ Loss in power or increased fuel consumption

TAIPANXP PERFORMANCE INTERCOOLER UPGRADE

- ☑ Australian made and designed
- ☑ 100% Tig welded
- ☑ PWR Intercooler core
- ☑ Available with thermo fan (twin fans on the 70 Series)
- ☑ Significant engine temp drops
- ☑ DIY kit available (little to no welding required)
- ☑ Suits - Toyota Landcruiser 70 Series V8 (All models)
- ☑ - Nissan Patrol GU 3.0L ZD30 & CRD (Wagon and ute)
